WHAT WE DO

MANNED GUARDING

Well-trained security personnel's instinct and judgment beat even the most advanced technology, making 'Manned Guarding' the most crucial aspect of any effective security deployment strategy.

Every security personnel is selected through a stringent selection process that includes detailed background checks. Further, our personnel undergo a rigorous 160-hour training program to meet industry and region-specific security norms.

Owing to an innovative approach and a dedicated workforce, we have an industry-best client retention rate of 99.5%

EVENT SECURITY

At Proman, securing events is not just about posting men in uniforms, it is about planning and executing an effective security plan based on risk assessment.

Event security has evolved over the years with improvement in physical security protocols combined with technological advances. Our Event Security teams come fully equipped with specially trained security personnel and close protection officers to manage large, high-risk events with the capability to identify suspicious activities and read body language to predict threats.

CLOSE PROTECTION

We provide protection to chief executives, celebrities, public figures and High Net-worth Individuals. Protecting high-risk Principals often involves roles like escorting, preventing of crime/Protecting from threats i.e. from business opponents, kidnapers, stalkers or over-enthusiastic fans.

On the way or at the venue of the meeting/event, if any changes in circumstances are detected we respond to those threats and situations rapidly and effectively to protect the subject by first Protecting physically and then removing from harm's way.

TRAINING

A security guard is hired to protect people and/or property. Security guards act as a preliminary defense system, prior to police involvement & are a vital part of the safety of our country's schools, hospitals, public places, businesses, etc.

Since most security guards in this country work in public places (such as airports, malls, hospitals, businesses, etc.), guards need to be thoroughly trained in public relation relating to all kinds of People and how to identify and handle possible terrorist activity During security training courses these topics are also covered, to ensure that security personal can recognize weapons, threats and suspicious activity.

- Basic Guarding Training
- Industry specific Training
- Site specific Training

There is a comprehensive On-the-Job (OJT) Training calendar being enforced across all units.

TRANSITION MANAGEMENT/UNIT DEPLOYMENT

Types of activities undertaken during transition/deployment:

- Project Plan
- Infrastructure to support operations / Nomination of SPOC
- Recruitment as per clients requirement
- Background verifications
- Periodic Review
